Hi David,

Do you have an hour on Friday for a conference call with ADEQ? Otherwise, I could do a separate call with Vimal.

LMK. Thanks, Nancy

Morning Nancy and David,

Unfortunately those times don't work for Vimal and I as a group. Do you have any time available on Friday? Apart from a meeting at 1:30 PM MST, I can move everything else around to talk regarding Gunnison.

Hi Vimal,

Could you coordinate with Dave Dunaway for scheduling a conference call with EPA to discuss the draft APP for the Gunnison Copper Project? We would like to inform you of the differences in the proposed Aquifer Protection permit from our proposed draft conditions. None of the differences are very significant.

Please let me know when you and Dave are available for an hour this week for a conference call. David Albright and I are available this Wednesday (8/2) between 1-4 pm and Thursday (8/3) at 10-11 am or 3-4 pm.

Thanks, Nancy
